COOKIE POLICY

Phinx, a product of Sojaru Corp LLP

Effective Date: 12 November 2026
Last Updated: 12 November 2026

Phinx is a product of Sojaru Corp LLP ("Sojaru", "we", "us" or "our"), a limited liability partnership registered in India under the Limited Liability Partnership Act, 2008 (LLPIN ACR-3169, GSTIN 19AFSFS5111B1ZZ), with its registered office at 2nd Floor, Flat 2A, 3/97 Chittaranjan Colony, Jadavpur, Kolkata 700032, West Bengal, India.

This Cookie Policy explains how we use cookies and similar technologies on phinx.in and in the Phinx dashboard at app.phinx.in. Please read it together with our Privacy Policy.

1. WHAT COOKIES ARE

Cookies are small text files that a website stores on your device. Similar technologies, such as browser local storage, work in the same way. They let a site remember that you are signed in, keep your session secure and remember simple preferences. They do not give us access to the files on your device.

2. OUR APPROACH

We keep cookies to the minimum the Services need:

- Our marketing website at phinx.in does not use analytics, advertising or tracking cookies.
- The dashboard uses only strictly necessary cookies for sign-in and security, and local storage for layout preferences.
- We do not use cookies for advertising, cross-site tracking or profiling, and we do not sell cookie data.

3. COOKIES AND STORAGE WE USE

Name	Type	Where	Purpose	Duration
sessionid	Strictly necessary cookie	Dashboard and sign-in	Keeps you signed in after you log in	Until you sign out, or up to 14 days
csrftoken	Strictly necessary cookie	Dashboard and sign-in	Protects forms against cross-site request forgery	Up to 1 year
phx-mini, phx-shut	Local storage (preference)	Dashboard	Remembers whether the sidebar and its groups are open or folded	Until you clear your browser storage
phx-consent	Local storage (consent record)	Website	Records your choice in the cookie banner, the date and the policy version, so that we do not ask again	12 months, then we ask again

When you pay a Phinx invoice, you are taken to our payment gateway's checkout page. That provider may set its own cookies to process the payment securely and prevent fraud. Those cookies are governed by the provider's own cookie and privacy policies.

4. CONSENT AND THE COOKIE BANNER

- When you first visit phinx.in, a cookie banner appears before you use the site. It explains what we store and links to this policy.
- You can choose "Accept all" or "Essential only". Both are equally easy to choose, and the site works the same either way, because today we use only strictly necessary cookies.
- Strictly necessary cookies do not need your consent, because the Services cannot work securely without them. We will not set any non-essential cookie, such as analytics, unless you have chosen "Accept all", and we will update this policy and ask you again before we add one.
- We record your choice, the date and the version of this policy in your browser for 12 months. You can change your choice at any time with the "Cookie settings" link in the footer of every page.

5. WEBSITES BUILT ON PHINX

Websites and applications that our customers build or host on Phinx are run by those customers. Each customer decides which cookies its site uses and is responsible for its own cookie notice and consent. Where a customer's plan includes it, we help them add a compliant consent banner. If you are a visitor to such a site, please read that site's own cookie policy.

6. MANAGING COOKIES

You can block or delete cookies in your browser settings. If you block strictly necessary cookies, you will not be able to sign in to the dashboard. Help pages for common browsers:

- Google Chrome: support.google.com/chrome/answer/95647
- Mozilla Firefox: support.mozilla.org/kb/clear-cookies-and-site-data-firefox
- Apple Safari: support.apple.com/guide/safari/manage-cookies-sfri11471/mac
- Microsoft Edge: support.microsoft.com, search for "manage cookies in Microsoft Edge"

7. CHANGES TO THIS POLICY

We will update this policy whenever we change the cookies we use, and post the new version on this page with a new "Last Updated" date.
